

TRASH HOT SPOT SELECTION FORM

City of Berkeley

Site ID: ber_bay_1

Site Information

Waterbody: San Francisco Bay

Site Location: North shore of cove that's located immediately west of I-80, between the extension of Allston Way and Bancroft Way, commonly called Brickyard Cove.

Jurisdiction: City of Berkeley

Ownership: East Bay Regional Park District

Agency Contact: Danny Akagi, 510-981-6394, dakagi@cityofberkeley.info

Justification

Information Supporting Selection as a Hot Spot (Attach additional photos as necessary):

This cove has been part of the Coastal Clean-Up for many years and has historically yielded large amounts of trash. This is along the shoreline of the Bay directly opposite the Golden Gate Bridge where winds apparently drive trash and floatables to the shore and can accumulate in the shelter of the cove.
